REASONS FOR ALLOWANCE

Status of the Claims

Claims 1-25 are cancelled.

Claims 26-27 are allowed.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance." Applicant is reminded that the claims are allowable as whole, and any modification to the claims may jeopardize this indication of allowable matter. The specific limitations, in combination with the remainder of the claim which overcome the prior art are set forth below in italics.

26. (New) A microcomputer having a *real-time trace function*, said microcomputer comprising:

a central processing unit for executing an instruction;

instruction address setting means for setting a *start address and end address for specifying a trace range* within a program as instruction address for

detecting an execution of a plurality of instructions to be executed by said central processing unit; and

trace information output means for outputting status information including mode status of said central processing unit to a plurality of output terminals,

wherein said *trace information output* means includes match status output means for outputting a match status through one of said output terminals and *omitting means for omitting second start address match during first start address match and end address match*, when central processing unit is in a *user program mode*.

Applicant's Request for Personal Interview

The Examiner acknowledges Applicant's request filed January 26th, 2004. On Monday, August 2nd, the Examiner contacted Tariq Nabi to arrange a personal interview. The Examiner's inquiry was not answered in the following five days. As the Examiner deems the Application in condition for Allowance as filed, the Examiner in order to expedite prosecution has allowed this application to Issue.

Should Applicant be aware of any typographical errors or IDS resulting from foreign patent offices, Applicant may file such documents prior to payment of the Issue Fee.
